WELCOME TO EGEKROM

Trusted engineering and manufacturing solutions

GENERAL INFORMATION

Equipment and machine manufacturer of stainless steel

Year of Establishment: 2003

Quality Certificates: ISO 9001:2015, ISO 3834-2, AD 2000 HP0

Sectors: Paint, Chemical, Petrochemical, Refinery, Oil, Milk and Food Industries

WHERE WE ARE ?

Izmir is the third biggest city and the second largest export gate of Turkey.

Izmir is connected to all major destinations with daily flights directly or via Istanbul.

Logistically well connected: daily road shipments to Europe, North Africa and Middle East.

Frequent sea shipments to all major destinations are available from Izmir.

ABOUT US

EGEKROM was established in 2003 in Izmir Ataturk Organized Industrial Zone, Turkey.

We serve Paint, Chemical, Petrochemical, Refinery, Oil, Milk and Food Industries,

producing stainless steel reactors, mixers, heat exchangers, condensers, steam and hot water boilers,

economizers, special machines, pressure and non-pressure tanks, installation and piping systems.

Our engineers, technicians and staff have more than 40 years of combined experience.

Since its inception, EGEKROM's most important goal has been customer satisfaction.

We supply various domestic and foreign (European, Asian) companies with high quality products,

on-time delivery and competitive prices.

VISION & MISSION

VISION

To be preferred as a reliable partner for global companies.

MISSION

Customer satisfaction

Trusted engineering

Reliability in relations with partners

Fulfilling responsibilities for society, customers and employees

Using technology effectively within the supply chain

Using resources at optimum level in an environmentally friendly way

SECTORS WE SERVE

Petrochemical and Oil Industry Refineries

Food Industry

Paint Industry

Chemical Industry

CERTIFICATES

ISO 9001:2015

EN ISO 3834-2

AD 2000 Merkblatt / HP0

MAIN INDUSTRIES

Chemical Industry

Paint Industry

Energy Industry

Food Industry

EXPERIENCE & CAPABILITIES

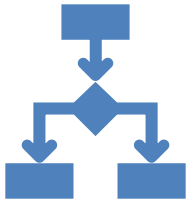

More than 40 years of experience in stainless steel equipment manufacturing.

Approved supplier to various domestic and international companies.

Strong expertise in project-based engineering and turnkey solutions.

Focus on high quality manufacturing, on-time delivery and competitive pricing.

TARGETS

Project management with zero major non-conformities

Meeting customers' quality targets

Meeting customer service quality requirements
